5. Screenshot of App in Localhost (browser) open on About page

6. **Screenshot 1:** Modified Library form with evidence of password confirmation validation

The screenshot shows a web browser window with the address bar set to 'localhost'. The browser's taskbar at the top includes icons for various applications, including two instances of 'ed', a green plus icon, a circular arrow icon, and a 'Vite App' icon.

The web page has a navigation bar with three links: 'Home (Week 5)' (highlighted in blue), 'About', and 'Contact us'.

The main heading is 'W5. Library Registration Form', preceded by a small icon of a bookshelf. Below the heading, a message states: 'This form now includes validation. Registered users are displayed in a data table below (PrimeVue).'.

The registration form contains the following fields and elements:

- Username:** A text input field containing 'RUTVIKA'.
- Gender:** A dropdown menu with 'Other' selected.
- Password:** A text input field filled with dots.
- Confirm Password:** A text input field filled with dots, highlighted with a blue border. To its right is a small eye icon with a downward arrow.
- Error Message:** Below the 'Confirm Password' field, the text 'Passwords do not match.' is displayed in red.
- Australian Resident?:** A checkbox that is currently unchecked.
- Reason for joining:** A large, empty text area.
- Suburb:** A text input field containing 'Clayton'.
